**District:** 8 – San Bernardino  
**Contact:** Terri Kasinga  
**Phone:** (909) 383-6799 (work)  
(951) 232-4268 (cell)

## **PAVING PROJECT ON STATE ROUTE 18**

**San Bernardino County** – Caltrans will begin a chip seal project on State Route 18 in Big Bear City from Sierra Avenue to Baldwin Lake on Thursday, August 10, 2006. The work hours are Monday through Thursday from 6:00 a.m. to 6:00 p.m. and on Friday from 6:00 a.m. to 3:00 p.m. The three-week project will begin at Sierra Avenue.

Reversible traffic control will be used during work hours with one lane open for passage. The California Highway Patrol (CHP) will be on site for traffic handling.

The new surface will provide motorists with a smoother ride. Orange cones are a loud signal that it's time to pay extra attention. Traffic can stop suddenly. Eating, drinking, changing the radio station...look away for one split second and you could slam directly into the car in front of you.
